CC Docket Nos. 96-45 and 97-21

To whom it may concern:

This Letter is in reference to the 2002-2003 471 application. Currently, I am waiting for year four-spin change request confirmation from SLD since 7/31/01 for the 2001-2002 funding year. I was told not to forward any paperwork to SLD until a letter was sent to me regarding spin change request confirmation. I took this to include the year five 471 application which was not made clear to me. This was brought to my attention when I called the Schools and Libraries Division on Wednesday, February 13, 2002 about sending the year five applications.

When I spoke to Keith Goldstein on January 11, 2002 this was not conveyed to me regarding the year five applications. I would appreciate if someone can look into this matter regarding to this application so that my district does not lose any funding. I have been calling on a monthly basis checking on the status of the spin change request. To no avail, this request is still being processed. The case number is 71867. This number can verify my frequency of calls.

A copy of the letter that was sent to Mr. Goldstein at the SLD and is attached along with the receipt of my 471 and the Administrator's Decision on Waiver Request.

I feel that the spin change request has taken too long and that the SLD did not give me proper directions in filing of forms. I would like for you to consider a waiver of the application window deadline for these reasons.

If you have any questions, please feel free to contact me directly at the numbers listed above.

Sincerely yours,
